Oh, no! I cannot say "Farewell,"
It'd pierce my bosom through,
And to this heart 'twere Death's dread knell,
To hear the sigh "Adieu."
Though soul and body both must part,
Yet ne'er from thee I'll sever;
For more to me than soul thou art.

For more to me than soul thou art, For oh, I'll quit thee never.

One home, one hearth, shall be ours still,

One home, one hearth, shad had one our daily fare; One altar, too, where we may kneel And breathe our humble prayer, This bosom shall thy pillow he; And tear for tear I'll shed with thee, But oh, forsake thee, never! And when that solemn hour shall come

And when that solemn hour shall come.
That sees thee breathe thy last;
That hour shall also seal my doon,
And close mine eyelids fast.
One grave shall hold us side by side,
One shroud our clay shall cover;
As one our souls shall mount and glide.
Through realms of biss forever.

DR. SWAYNE'S Compound Syrup of Wild Cherry THE GREAT REMEDY FOR

CONSUMPTION

Colds, Coughs, Spitting of Blood, Bronchitis, Difficulty of Breathing, Asthma, Pain in the Side and Breast, Whooping Cough, Croup, and all Disorders of the Liver, and Lungs, Broken Constitution, Se., Sec.

stibution, &c., &c.

Tillis "Celebrated Remedy" has now, by its intrinsic virtues, acquired a celebrity which can never he shaken by the many quark "Nostrums" with which the country abounds. The public are fast learning that this is the only remedy that can be relied upon for the speedy and pernament cure of all Disenses of the Lunge. It is literally sweeping Consumption from the land; wherever it is introduced and becomes known, all others dwindle into insignificance. The public have been "humburged" long enough, and now resort to a medicine which the testimony of the most eminent physicians in the land has placed beyond the reach of criticism.—It requires no bolstering up, by publishing columns of forged certificates—but it is enough to let the public know where it can be obtained, and one trial will convince all of its great efficiency in curing those distressing diseases above named, which have buffled the skill of the most learned practitioners for ages heretofore.

DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY was the first preparation from that valuable tree which was ever introduced to the public, and ample proof is affected of its success by the country being fixeded with "Balsams," "Candies," and "Mixtures," of Wild Cherry, but one of which is prepared by a regular physician, although they have assumed the names of respectable physicians to give currency to their "Nostrums." Therefore the public should be on their guard, and not have a worthless mixture palmed upon them for the original and genuine preparation, which is only prepared by DR. SWAYNE, N. W. corner of Eighth and ed not have a wortness mixture primed upon them for e original and genuine preparation, which is only pre-red by DR SWAYNE, N. W. corner of Eighth and ce streets, Philadelphia. HENRY S. FORNEY, AGENT.

Waldron Scythes. HAVE on hand and am receiving a lot o Waldron's Grain and Grass Scythes, a superior article, which I will sell low for cash. ZER'S PANACEA. s warranted, on oath, not to

ticle of Calomel, Corrosive Sub-L containa p limate, Arseniq Chloride of Gold, or any deleterious minerals.

The principle upon which this medicine acts, is by assisting and harmonizing with nature; it irives out all foul acrimonious humors from the blood and body, and by assimilating with and strengthening the gastric juice of the stomach, it assists digestion; in short there is not a vein, artery, muscle or nerve in the human body, that is not strengthened by the PANACEA, and it also possesses the remarkable property of removing mer-cury from the bones and joints.

FOR ERUPTIONS OF THE SKIN, Scurvy, Scorbutic Affections, Tumors, Scrofula or King's Evil, White Swellings, Erysipelas, Ulcers, Cancers, Running Sores, Scabs and Biles, time and a determined perseverance in Dr. Sweet-zer's Panacea, will effect a cure.

FOR INDIGESTION, Rejection of food, Nausea, Vomitings, Nervous affections, Bilious complaints, Head-ache, Paleness, or Female Irregularities, Dr. Sweetzer's Panacea will soon effect a cure; but if obstinate or attended with griping, flying pains, the dose should be increased, and the cure will soon be effected. Let not the patients frighten themselves with the idea that they are too weak to take much medicine; but bear in mind that this mildly ope rating medicine puts not weakness into the frame, but most certainly draws weakness out, leaves strength in its place, and by giving composed sleep at night, and an appetite for any kind of food, re-animates the whole frame with vigorous action, improving the mind and clearing the sight.

SCROFULA AND GLANDULAR AFFECTIONS. Scrofula is said to be hereditary, the infant receiving from its parents the seeds of this disease, which increases with its years, if neglected and not subjected to frequent purification with Dr. SWEETZER'S PANACEA. The glands are placed in the corners of the body, and out of the way of direct communication; their real use is a subject on which much difference of opinion prevails; it suffices us to know that when in a diseased state, they are capable of being purified and cleansed by a long course of Dr. Sweetzer's Panacea, which restores them to sound and proper action Scrofulous persons can never pay too much attention to their blood, its purification should be their first thought, for after a long course of persever-ance they will even cure hereditary disease.

In case of Jaundice, Asthma, Liver complaints, Tic Doloreux, Rheumatism or Rheumatic Gout, Dr. SWEETZER'S PANACEA cannot be too highly extolled; it searches out the very root of the discase, and by removing it from the blood, makes a Cure certain and permanent.
For diseases of the Bladder and Kidneys, Strice

tures, Gravel, Stone, Piles, Fistula, Urinary Obstructions and Extreme Costiveness, Dr. SWEET ZER'S PANACEA is the best remedy ever tried; i emoves all those acrimonious humors from the blood which give rise to the above diseases, and by keeping the blood in a pure condition, insures

For Dropsy, Falling of the Bowels, Impurities of Blood, Mercurial Taint, Weakness of the Spine, Flow of blood to the head, Giddiness, Singing or Buzzing noise in the head and ears, Dr. Sweet-ZER'S PANACEA will give certain relief; in all severe and chronic cases, the patients cannot be too often reminded that larger doses and perseverance will effect a cure. In Chills and fevers, bilious fever, affections of

the eyes and ears, spongy and bleeding gums, Bronchitis, and recent coughs and colds, Dr. Sweetzer's Panacea will be found perfectly sure and certain in its effects.

GRAVEL AND URINARY COMPLAINTS These complaints are generally attended with the most fatal consequences, and are seldom or never cured by the present mode of treatment; they usually accompany the patient to the grave, atter suffering the most excrutiating pain and tor-ture. The cause of these complaints are the same as all others, the dross of the blood becomes incrusted on the finest narrow passages, whence arise morbid secretions and stoppages of urine .-THE undersigned has removed his Tailoring You will find the most powerful diuretics of no use, Establishment to the Reom recently occupied by Mr. John Donavin as a Hat Store, two not purify and strengthen the parts. By purifyloors West of Capt. Sappington's Hotel, where ing the blood with Dr. Sweetzen's Panacea, you will as heretofore, carry on the TAILORING remove the cause of the disease, consequently it 100 00 BUSINESS in all its branches. He has always cannot exist any longer, after sufficient perseverance in its use has deprived the blood and body of

all acrimonious humors and incrustations. This is a very prevalent and fatal disease; it It needs no apology to say that heretofore there bronchitis, also from neglected coughs, colds, and bronchitis, also from improper treatment in many results mostly from neglected coughs, colds, and other cases, such as measels, fevers, inflamations and small pox, and a host of other badly treated diseases; where the cause, instead of having been thoroughly removed from the blood and body, have only been palliated or removed from one part to break out in another. By divesting your bodies from all foul humors, through the medium of Dr SWEETZER'S PANACEA, the cure is at once ren dered certain and permanent. Recollect while there is acrimonious humors floating in the circulation, it is as apt to settle on the lungs as any sumption is so prevalent.

> Which you see on the exterior come from, and have their source in, the interior, and might just as well have settled on your lungs, liver, or any other part; which we know they frequently do, and produce most violent inflamatory disorders. The humor which occasions these sores is of a highly acrimonious burning nature. We know it from the pain it gives in forming, and afterwards from its rapidly ulcerating and corroding the flesh and skin of the part where it breaks out. This shows the necessity of frequently purifying the blood with Dr. Sweetzen's Panacea, and keeping such malignant humors in subjection. Should you have a bile or ulcer, be thankful that nature has taken the trouble to warn you of the danger your life and body is in, for it is a warning that the blood is foul. Had this same acrimony sesteel the lungs instead of the surface of your body for its seat, consumption of the lungs would have been the consequence. Delay not then to Very fine purify and cleanse with Dr. Sweetzer's Panacea. Extra do SPINE DISEASE.

Spinal affections, enlargement of the bones and joints, white swellings, hip joint complaint, rup-tures, falling of the bowels and womb disease, will find a speedy cure in Dr. SWEETZER'S PANA-CEA. Where the disease has been of long standing, the time required to make a cure will be longer, but the patient may rest assured that a determined perseverance will effect it.

BRONCHITIS, ASTHMA AND DISEASES OF THE WINDPIPE.

These diseases proceed from the seriosity or corrupt humors of the blood, having settled itself on the throat and lungs, and stopped them up, so that they cannot draw sufficient air in for respiration. Dr. Sweetzer's Panacea will give immediate relief, and to make the cure perfect and certain, it should be continued some time after, to ree the system from all bad humors.

DR. SWEETSER'S PANACEA, being com

posed only of a vegetable matter, or medicinal herbs, and warrented, on oath, as containing not one particle of mercurial, mineral, or chemical substances, is found to be perfectly harmless to the most tender age, or the weakest frame, under any stage of human suffering. Price \$1 per bottle, or six bottles for \$5. Tor

OFFERBALL & COS. PAVILION HOTEL.

HIS celebrated Bathing and Watering place is now ready for the reception of company Their means of accommodating guests has been greatly increased, by which they will be enabled to provide amply for 150 persons in the most comortable style.

In addition to their well known Boarding House they have leased the PAVILION HOTEL, occupied for the last few years by Col. STROTHER, (known as the Gustin property,) which has been renovated and in which many valuable improveents have been made. The location of those two-buildings, and the easy access from them to the Ladies' as well as the Gentlemen's Baths ren-der these decidedly preferable to any other establishment in the town, and more especially for invalids, each house opening into Bath Square, and within fifty to one hundred feet of the main drinking Spring and Baths.

The public may rest assured that the comfort of our guests will receive our never-tiring efforts, and to those who are acquainted with us, will we trust, be sufficient guarantee to receive a continu-

ance of their patronage. St. John's Run, on the Baltimore and Ohio Raiload, is the stopping point for this place—distance only two miles, over a newly graded road.

We have engaged the services of a first-rate UST received by arrivals from Europe, and now opening for the Fall Trade, an extensive Horses, who will carry them over the road with

Bedford Water, fresh from the Springs, for the ccommodation of their Boaders. *
A Band of good Music is engaged for the season. All communications to the subscribers will be comptly attended to.
